LONG VERSION

Set Sail for Adventure with *Voyage of the Dawn Treader!*

When Edmund, Lucy and their cousin Eustace are pulled through a magical picture into the wondrous land of Narnia, they join King Caspian's voyage on the gallant ship *Dawn Treader* to find his missing lords. They must face a gigantic sea serpent and travel through a dark land where nightmares come true before coming to the edges of Aslan's country. But what will happen when the *Dawn Treader* reaches the fabled "rim of the world"?

Find out through the Radio Theatre® adaptation of *Voyage of the Dawn Treader* from "The Chronicles of Narnia." As world-class actors, film-quality sound effects and full orchestration bring this story to life, you and your family will discover uncharted lands with dragons, wizards and timeless truths as only C.S. Lewis' imagination can reveal them!

Since 1996, Radio Theatre has produced innovative entertainment for families and individuals. These audio dramas feature cinema-quality sound design and original music scores. Like movies that play on the biggest screen of all—your imagination—Radio Theatre is a new way to experience the power of story. Visit the official website: RadioTheatre.org
